OUR ONGOING PROJECT

FamSync Mobile App

FamSync is our innovative mobile application designed to streamline family management, particularly focusing on children's schedules and activities. This user-friendly app provides a centralized platform for families to manage calendars, to-do lists, and objectives, ensuring everyone stays synchronized and organized. Whether it's tracking homework assignments, coordinating extracurricular activities, or planning family events, FamSync empowers families to stay connected and manage their time effectively, all in one place.

OUR LAUNCHED PROJECT

Activwork App

ActivWork is our latest app designed for businesses, making work more engaging, fun and organized.

Employees can enter data, manage tasks, earn points, and receive medals or titles, all in one simple platform.

It's a fun and efficient way to keep teams motivated and on track.
